KNITTING YARN

www.knittinghappiness.com

A sepia-toned illustration of a balcony scene. In the foreground, a wooden table holds a large wicker basket filled with several balls of yarn. A small, knitted piece of fabric and a pair of scissors are also on the table. To the right, a wicker armchair with a striped cushion sits on the balcony. In the background, a cityscape is visible through a window with sheer curtains, featuring a prominent clock tower and various domed buildings.
